Shen Jiawei is one of Australia's leading portrait artists. He was born in [Shanghai](#) and immigrated to Australia in 1989.

He was largely self-taught and became popular with the Chinese government for his 'revolutionary' images of workers and soldiers.

Recent portraits include the Crown Princess Mary of Denmark (see photo on front page!), our former PM, [John Howard](#) and Hon. Tom Hughes AO QC.

He won the [Sulman Prize](#) in 2006. His portraits have made Shen a finalist in the Archibald at least 10 times. (See his website for more details).

Your Society needs you!!!

We have four of our committee members who are retiring at the upcoming Annual General Meeting in December.

This provides a great opportunity for four of our members to fill the gaps.

We have a great year coming up. It is our 20th Anniversary in June.

We need all hands on deck. Many hands make light work.

Don't wait to be asked. Give me a call to talk about what you can do to help your Society. If out, leave a message and I will call you back.
