KASEY SEALY is a member of a noted family of artists. He is renowned for his mastery of light & atmosphere and has studied and painted in many countries including UK, France, New Zealand, USA & Italy. He still takes regular painting trips around Australia, as his love of the Australian bush is very much the source of his inspiration.

Kasey is a true artist, and does not betray his love of creativity. He is always drawn to particular subjects for the fleeting magic they hold at the time, and never only for a commercial benefit. But it is always a source of excitement when astute art lovers appreciate and value his work. SEE OUR WEBSITE FOR MORE INFORMATION.

Our next Annual General Meeting is an important “must attend meeting” for a number of reasons:

***We say farewell to a number of long serving committee members, including Max Coleman who has done so much for our Society over the past six years. DO COME ALONG AND SAY THANK YOU.**

***Next year is our 20th Anniversary as a Society and we would like to talk about how we plan to mark the occasion.**

*** Having new people on our committee may lead to changes in our programming and planning. It is your Society. We are looking for your ideas, and we want you to have a say in how we review the way we do things.**

So please come.
